At the library.

Continue the tradition and add your name to the Downers Grove Public Library Garden Walk as it expands along the west side of the library with a new path of engraved bricks and landscaping.

For years to come, you and your family can share the excitement of seeing your name, favorite saying, or message every time you visit the library!

Join the hundreds of families and friends who have added their names to the Garden Walk since its beginning in 1999.

The Garden Walk, paved with personalized bricks, is part of a landscaped area on the south and west sides of the library.

Don't miss this chance to leave a lasting imprint on the library! With a gift of \$100, you can personalize a 4" x 8" brick with three lines. A \$250 gift entitles you to personalize an 8" x 8" brick with five lines. Ask us about other donation opportunities, such as benches for the Garden Walk. Your contribution goes to the Downers Grove Public Library Foundation, a 501(c) 3 non-profit organization, and is tax deductible to the extent allowed by law.

Make your family, friends, business, or organization a part of the library. Commemorate a special occasion such as an anniversary, birthday, or graduation; honor a loved one; or just leave your mark on the Downers Grove Public Library with a personalized brick for the Garden Walk. You are also invited to contribute a story about your brick that we will feature on our website.

Initial contributions funded Junior Room murals and artwork designed to set imaginations soaring. Young visitors enjoy an enchanting garden wall, a dramatic solar system mural, and a cozy reading cottage. Paintings, photographs, and sculptures have been added throughout the library to enrich the experience of visitors. Additional funds will underwrite artwork and other building enhancements for the library.
