

Dear Library Friends:

Miniature golf returns to the library in 2010! After a successful debut in 2009, the Downers Grove Public Library Foundation Mini-Golf Event will tee off again on March 21, 2010.

In 2009, hundreds of families and friends enjoyed putting around the stacks and competing for prizes in the end-of-the-day tournament. Along with golfers, thousands of library patrons saw information about the event and the names of the generous businesses, organizations, and individuals who supported it.

We are offering you the opportunity to participate in this fun community event as a sponsor of a hole, a tee, or a green. Your donation will support the Foundation and provide an opportunity for wide exposure of your name. In return for your donation:

- Sponsors will be publicized in local media, in the library newsletter which is mailed to every Downers Grove household, on the library's website, and in library displays seen by the thousands of people in the weeks before and during the event.
- Your name or logo will be showcased at your sponsored hole, tee, or green.
- Space will be available at your sponsored hole for you to greet players at the event and provide information about your business or service.
- Your name or logo will be included on the scorecard.
- You may also design and create your own unique structure for your tee or green.

To be a part of this exciting event, please contact Carol Kania at ckania@downersgrovelibrary.org or at (630) 960-1200.

The Downers Grove Public Library Foundation helps the library offer excellent services and materials to the community. The enhancements the Foundation has provided would not have been possible without local support.

Thank you for supporting the Downers Grove Public Library Foundation.

Sincerely,

A handwritten signature in black ink that reads "Kathleen DiCola".

Kathleen DiCola
President
